Years earlier, Promise was driven to join the Marines, after her father was killed by such a raid. Payback is sweet, but it comes at a tremendous and devastating cost. London, the capital of the Empire of the Lion, is a filthy, crowded, fast-growing city where a series of shocking murders threatens the throne, itself. Energetic, young inventor Jack Straker believes he has created a weapon to defend the Crown: a reanimated, clockwork-enhanced corpse he can control.
