If a book has sold-out by the time we receive your order, we will back-order and supply when available.

Credited to Owen Fitzstephen (a character in Hammett's The Dain Curse) but actually written by Gordon McAlpine, who supplies notes and an afterword, the tale takes Hammett from the early 1930s to the late 1950s, as he tries to retrieve the statue and, in so doing, retrieve himself... Readers who prefer to just focus on the story at hand will be rewarded with an exciting tale with a compelling protagonist (Hammett was a real-life larger-than-life character), and those who enjoy literary games-playing will have fun sorting it all out." - *Publisher's Weekly*
