### THE AGE ATOMIC

ADAM, Christopher

The Empire State is dying. The Fissure connecting the pocket universe to New York has vanished, plunging the city into a deep freeze and the populace are demanding a return to Prohibition and rationing as energy supplies dwindle. Meanwhile, in 1954 New York, the political dynamic has changed and Nimrod finds his department subsumed by a new group, Atoms For Peace, led by the mysterious Evelyn McHale. As Rad uncovers a new threat to his city, Atoms For Peace prepare their army for a transdimensional invasion. Their goal: total conquest - or destruction - of the Empire State. The sequel to *Empire State* (\$24.95).

Fantasy TP \$27.95

### AGAVE KISS

AGUIRRE, Ann

Corine Solomon is determined to bring her lover, Chance, back from the dead. But the clock is ticking, and Corine has to deal with debt-collecting demons and a maniacal archangel while also trying to help a friend who's dying. "Gritty, steamy, and altogether wonderful urban fantasy. Outstanding and delicious." - *Patricia Briggs. Blue Diablo* (\$17.95) is the first in the series.

Urban fantasy PBK \$17.95

### THE IMMORTALS OF MELUHA

AMISH, Tripathi

1900 BC: the once-proud Suryavanshi rulers of the Meluha Empire are in dire peril. The empire's primary river, the Saraswathi, is slowly drying up. There are devastating terrorist attacks from the east, the land of the Chandravanshis - and to make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracised race of deformed humans with astonishing martial skills. The only hope for the Suryavanshis is an ancient prophecy: when evil reaches epic proportions and all seems lost, a hero will emerge.

Fantasy PBK \$19.99

### HELLHOLE: AWAKENING

### THE MARCHING DEAD

BATTERSBY, Lee

Find the dead a King, save himself, win the love of his life, live happily ever after. No wonder Marius dos Helles is bored. But now something has stopped the dead from, well, dying. It's up to Marius, Gerd, and Gerd's not-dead-enough Granny to journey across the continent and put the dead back in the afterlife where they belong. The sequel to *Corpse Rat King* (\$17.95).

Fantasy PBK \$17.95

### WRITTEN IN RED

BISHOP, Anne

As a "cassandra sanguine," or blood prophet, Meg Corbyn can see the future when her skin is cut, a gift that feels more like a curse. Meg's Controller keeps her enslaved so he can have full access to her visions. But when she escapes, the only safe place Meg can hide is at the Lakeside Courtyard, a business district operated by the Others. Shape-shifter Simon Wolfgard is reluctant to hire the stranger who inquires about the Human Liaison job. First, he senses she's keeping a secret, and second, she doesn't smell like human prey. Yet a stronger instinct propels him to give Meg the job. And when he learns the truth about Meg and that she's wanted by the government, he'll have to decide if she's worth the fight between humans and the Others that will surely follow.

Fantasy TP \$29.99

### LORD KELVIN'S MACHINE

BLAYLOCK, James

Within the magical gears of Lord Kelvin's incredible machine lies the secret of time. The deadly Dr. Ignacio Narbondo would murder to possess it and scientist and explorer Professor Langdon St. Ives would do anything to use it. For the doctor it means mastery of the world and for the professor it means saving his wife from death.

### SEVEN KINDS OF HELL

CAMERON, Dana

Archaeologist Zoe Miller has been running from a haunting secret her whole life. But when her cousin is abducted by a vicious Russian kidnapper, Zoe is left with only one option: to reveal herself. Unknown to even her closest friends, Zoe is not entirely human. She's a werewolf and a daughter of the "Fangborn," a secretive race of werewolves, vampires, and oracles embroiled in an ancient war against evil. To rescue her cousin, Zoe will be forced to renew family ties and pit her own supernatural abilities against the dark and nefarious foe. "*Seven Kinds of Hell* is a great adventure. Dana Cameron's supernatural heroes are refreshingly different, and the action is astonishing." - *Charlaine Harris*

### SCIENCE FICTION MASTERWORKS:

#### ENGINE SUMMER

CROWLEY, John

In the drowsy tranquility of Little Belaire, the Truthful Speakers lead lives of peaceful self-sufficiency ignoring the depopulated wilderness beyond their narrow borders. It is a society untouched by pain or violence and the self-destructing 'Angels' of the past are barely remembered. But when Rush That Speaks leaves his home on a pilgrimage of self-enlightenment, he finds a landscape haunted by myths and memories. The overgrown ruins reflect a world outside that is stranger than his people ever dreamed.

Post apocalyptic PBK \$19.99

### BLACK FEATHERS

D'LACEY, Joseph

"*Black Feathers* is a modern fantasy set in two epochs: the Black Dawn, a time of environmental apocalypse, and generations into the future in its aftermath, the Bright Day. In each era, a child undertakes a perilous journey to find a dark messiah known as The Crowman. In their hands lies the fate of the planet as they attempt to discover whether The Crowman is our saviour... or the final incarnation of evil." - *publisher's blurb*

Fantasy PBK \$17.95

### THE CHEMICKAL MARRIAGE

DAHLQUIST, G.W.

Miss Temple, young, wealthy and far away from home, never wanted to be a heroine. Yet her fiancé is dead - admittedly by her own hand - her companions apparently slain and her nemesis, the terrifyingly wicked Contessa Lacquer-Sforza, still at large. It falls upon Miss Temple's tiny shoulders to destroy a deadly cabal whose alchemy threatens to enslave the world. The final in the epic steampunk trilogy which begins with *The Glass Books of the Dreams Eaters* and *The Dark Volume* (\$24.95 each).

Steampunk PBK \$22.99

### EMPIRE OF THE SAVIOURS

DALTON, A.J.

In the Empire of the Saviours, the People are forced to live in fortified towns. Their walls are guarded by an army of Heroes, whose task is to keep marauding pagans out as much as it is to keep the People inside. Several times a year, living Saints visit the towns to exact the Saviours' title from all those coming of age - a title often paid in blood. When a young boy, Jillan, unleashes pagan magicks in an accident, his whole town turns against him. He goes on the run, but what hope can there be when the Saviours and the entire Empire decide he must be caught?

### HOPE REBORN

DRAKE, David & STIRLING, S.M.

Raj Whitehall was a young noble of the Civil Government, the last remnant of galactic civilization on the planet Bellevue, when he came across an ancient but still functioning Fleet Battle Computer named Center. With Center's vast fund of knowledge and strategic calculating abilities, Raj could defeat the barbarians threatening to engulf the Civil Government, and start Bellevue on the road back to the stars. But the Governor, to whom Raj has sworn absolute loyalty, nourishes a paranoid envy and mistrust that grows with every victory. This omnibus contains Raj Whitehall series opening novels *The Forge* and *The Hammer*.

### SEOUL SURVIVORS

FOYLE, Naomi

A meteor known as Lucifer's Hammer is about to wreak destruction on the earth, and with the end of the world imminent, there is only one safe place to be. In the mountains above Seoul, American-Korean bio-engineer Dr Kim Da Mi thinks she has found the perfect solution to save the human race. But her methods are strange and her business partner, Johnny Sandman, is not exactly the type of person anyone would want to mix with. Drawn in by their smiles and pretty promises, Sydney - a Canadian model trying to escape an unhappy past - is an integral part of their scheme, until she realises that the quest for perfection comes at an impossible price.

## Science Fiction & Fantasy March 2013 (Continued)

### DOG AND DRAGON

FREER, Dave

A wry and clever young heroine coming into her magical powers is flung into the midst of power struggles and momentous battles in a world where she may be the answer to a long-awaited prophecy of liberation from tyrannical rulers. The sequel to *Dragon's Ring* (\$17.95).

**Fantasy PBK \$17.95**

### SF MASTERWORKS: TAKE BACK PLENTY

GREENLAND, Colin

A fast-moving space adventure featuring mysterious aliens, a journey to a de-populated planet, a mad run from space cops, a ship captain in trouble, and her AI (Artificially Intelligent) companion/ship's computer. It is carnival time on Mars, but Tabitha Jute isn't partying. She is in hiding from the law, penniless and about to lose her livelihood and her best friend, the space barge "Alice Liddell". Then, the intriguing Marco Metz offers her some money to take him to Plenty, and then the adventure begins. Winner of both the Arthur C. Clarke Award for best science fiction novel of the year and the British Science Fiction Association Award for best novel of the year.

**Science fiction PBK \$19.99**

### PAY WITH FIRE & MIDNIGHT AT THE OASIS

GUSTAINIS, Justin

In "Play With Fire" houses of worship are burning around the U.S.: churches, synagogues, and mosques - usually while full of people. Initially dismissed as random acts of violence, Morris and Chastain uncover the deadly meaning behind the fires, and the terrifying cause they seek to serve. In "Midnight at the Oasis" Middle Eastern terrorists have conjured a deadly djin that will lay waste to America - unless Morris and Chastain can stop it first.

**Urban fantasy PBK \$17.95**

### SERAPHINA

HARTMAN, Rachel

The kingdom of Goredd is populated by humans and by dragons who fold themselves into a human form. Though they live alongside each other, the peace between them is uneasy. But when a member of the royal family is murdered, and the crime appears to have been committed by a dragon the peace and treaty between both worlds is seriously threatened. This has received great reviews.

**YA fantasy PBK \$16.95**

### DEADLOCKED

HARRIS, Charlaime

The American paperback. The local B-format paperback is also available (\$19.99).

**Sookie Stackhouse PBK \$17.95**

### RAIN WILD 04: BLOOD OF DRAGONS

HOBB, Robin

**Fantasy TP \$29.99**

### DOUGHNUT

HOLT, Tom

Things have been going pretty badly for Theo Bernstein. An unfortunate accident at work lost him his job (and his work involved a Very Very Large Hadron Collider, so he's unlikely to get it back). His wife has left him. And he doesn't have any money. Before Theo has time to fully appreciate the pointlessness of his own existence, news arrives that his good friend Professor Pieter van Goyen, renowned physicist and Nobel laureate, has died. By leaving the apparently worthless contents of his safety deposit to Theo, however, the professor has set him on a quest of epic proportions.

**Science fiction PBK \$19.99**

### CHAOS

HOPKINSON, Nalo

Sixteen-year-old Scotch struggles to fit in: at home she's the perfect daughter, at school she's provocatively sassy, and thanks to her mixed heritage, she doesn't feel she belongs with the Caribbeans, whites, or blacks. And even more troubling, lately her skin is becoming covered in a sticky black substance that can't be removed. While trying to cope with this creepiness, she goes out with her brother - and he disappears. A mysterious bubble of light just swallows him up, and Scotch has no idea how to find him. Soon, the Chaos that has claimed her brother affects the city at large, until it seems like everyone is turning into crazy creatures. "Noted for her fantasy and science fiction for adults, Hopkinson jumps triumphantly to teen literature. . . . Rich in voice, humor and dazzling imagery, studded with edgy ideas and wildly original, this multicultural mashup - like its heroine - defies category." - *Kirkus Reviews*

**YA fantasy PBK \$19.95**

### SISTER MINE

HOPKINSON, Nalo

"A World Fantasy Award winner and Nebula Award nominee, Hopkinson intriguingly envisions conjoined twins, one of whom loses her magic when she is separated from her sister. Family members shun the ordinary Makeda until her father shrugs off his human form and vanishes. Now it appears that Makeda may be the only one who can find him." - *Library Journal*

**Fantasy HC \$39.95**

### A FEW GOOD MEN

HOYT, Sarah A.

The son of a ruler on Earth instigates civil war and revolution when he attempts to take the place of his assassinated father and uncovers a terrible secret that has been used to enslave humanity. The sequel to *Darkship Thieves* (\$17.95) and *Darkship Renegades* (TP, \$25.95).

**Science fiction TP \$25.95**

### NO RETURN

JERNIGAN, Zachary

On Jeroun, there is no question as to whether God exists, only what his intentions are. Under the looming judgment of Adrash and his ultimate weapon, a string of spinning spheres beside the moon known as The Needle, warring factions of white and black suits prove their opposition to the orbiting god with the great fighting tournament of Tchootoo, on the far side of Jeroun's only inhabitable continent. From the Thirteenth Order of Black Suits comes Vedas, a

young master of martial arts, laden with guilt over the death of one of his students. Travelling with him are Churls, a warrior woman and mercenary haunted by the ghost of her daughter, and Manshep, a constructed man made of modular spheres possessed by the foul spirit of his creator. Together they must brave their own demons, as well as thieves, mages, beasts, dearth, and hardship on the perilous road to Tchootoo, and the bloody sectarian battle that is sure to follow. "Mages in space, do-it-yourself gods, merciless killers in love and a mechanical warrior with a heart of bronze await your reading pleasure. For thinking readers who like swashbuckling with an edge, No Return delivers." - *James Patrick Kelly*

**Fantasy HC \$39.95**

### THE WIND THROUGH THE KEYHOLE

KING, Stephen

"For readers new to *The Dark Tower*, *The Wind Through the Keyhole* is a stand-alone novel, and a wonderful introduction to the series. It is a story within a story, which features both the younger and older gunslinger Roland on his quest to find the Dark Tower." - *Publisher's blurb*.

**Fantasy PBK \$19.99**

### BEAST BEHAVING BADLY

LAURENSTON, Shelly

**Paranormal romance PBK \$17.95**

### THE QUEEN IS DEAD

LOCKE, Kate

Xandra Vardan is the newly crowned Goblin Queen of England. But her complicated life is by no means over. There are the political factions vying for her favor, and the all too-close scrutiny of Queen Victoria, who for some reason wants her head. Not to mention her werewolf boyfriend with demands of his own, and a mother hell bent on destroying the monarchy. *God Save the Queen* is the first in the series (\$19.99).

**Urban fantasy PBK \$19.99**

### AGE OF VOODOO

LOVEGROVE, James

**Science fiction PBK \$18.95**

### WALL OF NIGHT 02:

#### THE GATHERING OF THE LOST

LOWE, Helen

Five years after the assault on her stronghold home (Heir of Night, \$19.99), Malian of Night remains missing, believed dead amidst the wilds of Jaransor. But not all accept her death and now both Darkswarm and Deraï agents are on the hunt. Suspicion falls on Tarathan of Ar and Jehane Mor, who find themselves caught in a web of intrigue and murder amidst the Ijiri Festival of Masks.

**Fantasy PBK \$19.99**

### NEW WATCH

The long awaited fifth in the Russian vampire series, following *Night Watch*, *Day Watch*, *Twilight Watch* and *Last Watch* (\$19.95 each).

**Fantasy TP \$32.95**

### PLANES RUNNER

MCDONALD, Ian

Suddenly, 13-year-old Everett has become the owner of the most valuable object in the multiverse: the Infundibulum, the map of all the parallel earths is an app on his computer, and there are dark forces who will stop at nothing to get it. "McDonald writes with scientific and literary sophistication, as well as a wicked sense of humour. Add nonstop action, eccentric characters, and expert universe building, and this first volume of the Everness series is a winner." - *Publisher's Weekly*. "One of the high points of the SF novel year, YA or not." - *Gary K. Wolfe in Locus*

**YA science fiction PBK \$22.99**

### MIDNIGHT BLUE-LIGHT SPECIAL

MCGUIRE, Seanan

The second in McGuire's *InCryptid* series (after *Discount Armageddon*, \$17.95) returns to a thoroughly monster-infested New York and hereditary cryptozoologist Verity Price. Price has more than monsters on her mind this go-round, as her boyfriend's superiors from the monster-hunting Covenant of Saint George are about to descend on Manhattan to check up on his work. While wondering where the handsome fellow's loyalties lie, Price also has to deal with trying to hide New York's diverse cryptid population from the incoming hunters, one of whom is a distant cousin of the legendary Price clan out for some very personal revenge.

**Urban fantasy PBK \$17.95**

### INTRUSION

MACLEOD, Ken

Imagine a near-future London where advances in medical science have led to the development of a single-dose pill which, taken when pregnant, eradicates many common genetic defects from an unborn baby. Hope Morrison, mother of a hyperactive four-year-old, is expecting her second child. She refuses to take The Fix, as the pill is known. Her refusal divides her family and friends and puts her and her husband in danger of imprisonment or worse. "A twistedly clever, frighteningly plausible dystopian glimpse." - *Iain M. Banks*. This is superb - recommended.

**Science fiction PBK \$19.99**

### THE DISESTABLISHMENT OF PARADISE

MANN, Phillip

Something has gone wrong on the planet of Paradise. The human settlers - farmers and scientists - are finding that their crops won't grow and their lives are becoming more and more dangerous. The indigenous plant life, never entirely safe, is changing in unpredictable ways, and the imported plantings wither and die. And so the order is given - Paradise will be abandoned. All personnel will be removed and reassigned. And all human presence on the planet will be disestablished. Not all agree with the decision. There are some who believe that Paradise has more to offer the human race. And so the leader of the research team and one of the demolition workers set off on a journey across the

planet. Along the way they will encounter the last of the near-mythical Dendron, the vicious Reapers and the deadly Tattersall Weeds as they embark on an adventure which will bring them closer to nature, to each other and, eventually, to Paradise.

**Science fiction TP \$29.99**

### THE STORY UNTIL NOW:

#### A GREAT BIG BOOK OF STORIES

REED, Kit

Reed has been a significant figure in speculative fiction and literature for over 50 years, and this tome collects 34 of her short works, including six previously unpublished stories and others gathered from across the expanse of her career. "She is the SF writer par excellence of the war between the generations . . . Kit Reed frees us as we read her." - *John Clute*

**Science fiction HC \$49.99**

### ADAM ROBOTS: SHORT STORIES

ROBERTS, Adam

**Collection TP \$29.99**

### VAMPIRES IN THE LEMON GROVE

RUSSELL, Karen

"A consistently arresting, frequently stunning collection of eight stories... employing situations that are implausible, even outlandish, to illuminate the human condition. Or the vampire condition, as she does in the opening title story, where the ostensibly unthreatening narrator comes to term with immortality, love and loss, and his essential nature." - *Kirkus Reviews*

**Science fiction HC \$32.95**

### NEVERWINTER 04: THE LAST THRESHOLD

SALVATORE, R.A.

**Fantasy HC \$39.95**

### RED PLANET BLUES

SAWYER, Robert J.

Alex Lomax is the one and only private eye working the mean streets of New Klondike, the Martian frontier town that sprang up forty years ago after Simon Weingarten and Denny O'Reilly discovered fossils on the Red Planet. Back on Earth, where anything can be synthesized, the remains of alien life are the most valuable of all collectibles, so shiploads of desperate treasure hunters stampeded to Mars in the Great Martian Fossil Rush. But when he uncovers clues to solving the decades-old murders of Weingarten and O'Reilly, along with a journal that may lead to their legendary mother lode of Martian fossils, God only knows what he'll dig up...

**Science fiction HC \$42.95**

### TRIGGERS

SAWYER, Robert J.

On the eve of a secret military operation, an assassin's bullet strikes President Seth Jerrison. He is rushed to the hospital, where surgeons struggle to save his life. At the same hospital, researcher Dr. Ranjip Singh is experimenting with a device that can erase traumatic memories. Then a terrorist bomb detonates. In the operating room, the president suffers cardiac arrest. He has a near-death experience-but the memories that flash through Jerrison's mind are not "his" memories. It quickly becomes clear that the electromagnetic pulse generated by the bomb amplified and scrambled Dr. Singh's equipment, allowing a random group of people to access one another's minds.

**Science fiction PBK \$17.95**

### ASHES OF CANDESCENCE

SCHROEDER, Karl

"A world of endless sky, with no land, no gravity: this is Virga. Beginning in the seminal *Sun of Suns* (\$24.99) the saga of this striking world has introduced us to the people of stubborn pride and resilience who have made Virga their home; but also, always lurking beyond the walls of the world, to the mysterious threat known only as Artificial Nature. In *The Sunless Countries* (\$29.95) history tutor Leal Hieronyma Maspeth became the first human in centuries to learn the true nature of this threat. Her reward was exile, but now Artificial Nature makes its final bid to destroy Virga, and it is up to Leal to unite the quarrelling clans of her world to fight the threat. Blending steampunk styling with a far-future setting and meditations on the posthuman condition, *Ashes of Candescence* mixes high adventure and cutting-edge ideas in a fitting climax to one of science fiction's most innovative series." - *Publisher's blurb*. This is indeed wonderful sf - recommended!

**Science fiction TP \$32.95**

### A CONSPIRACY OF ALCHEMISTS

SCHWARZ, Liesel

In a Golden Age where spark reactors power the airways, and creatures of Light and Shadow walk openly among us, a deadly game of Alchemists and Warlocks has begun. When an unusual cargo drags airship-pilot Elle Chance into the affairs of the mysterious Mr. Marsh, she must confront her destiny and do everything in her power to stop the Alchemists from unleashing a magical apocalypse.

**Fantasy HC \$39.95**

### THE MADMAN'S DAUGHTER

SHEPHERD, Megan

"A gothic horror trilogy inspired by H.G. Wells' "The Island of Dr. Moreau," this novel tells the story of Dr. Moreau's daughter Juliet, who travels to her estranged father's island only to encounter murder, madness, and a scintillating love triangle." - *Publisher's blurb*

**Fantasy PBK \$16.99**

### BEAUTY AWAKENED

SHOWALTER, Gena

**Paranormal romance PBK \$17.95**

### WILD INVITATION

### QUINTESSENCE

WALTON, David

At the edge of the flat Earth is the island known as Horizon; here be not dragons, but intelligent entities that communicate telepathically, animals that can transform their bodies, and pools of water that change stone and flesh to gold. Alchemist Christopher Sinclair leads an expedition to this island, fleeing turmoil after the death of Edward VI of England. But the new paradise is full of dangers from the land, hostile tamarins, and within the expedition itself and despite the explorers' physical distance from England, its unrest haunts them.
