Includes new books by:

Ben Aaronovitch
 Trudi Canavan
 Isobelle Carmody
 Wesley Chu
 Neil Gaiman
 Terry Goodkind
 Cixin Liu
 Michelle Sagara
 Angela Slatter
 ... and many others.

All the books in this catalogue are new books due for release in **November 2015**.

Because they are new books, we are at the whim of the publishers and, to some extent, the shipping companies – books can sometimes arrive later (or earlier) than, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Prices are subject to change without notice.

Please reserve copies of anything you want so you don't miss out – ASAP!

If a book has sold out by the time we receive your order, we will back-order and supply, when available.

Pulp Fiction has access to thousands of books not shown in our monthly catalogues. We are only too happy to order anything if we don't have it on the shelves.

If you can't make it into the shop, you can post, phone, fax or e-mail your order. We accept Mastercard, Visa, AMEX, cheques and Australia Post Money Orders.

Approximate current postage, within Australia, is: 1–2 paperbacks (up to 500 grams), \$7.95.

2–10 paperbacks or any trade paperbacks or hardcovers, within Brisbane, is \$10.05.

Outside Brisbane metro area (over 500 grams up to 3 kilos), \$13.40. Anything above 3 kilos charged at Australia Post rates.

Until next time, good reading!

FAR STAR TRILOGY 01: SHADOW OF EMPIRE
 ALLAN, Jay
 Smuggler and mercenary Arkarin Blackhawk and the crew of the ship *Wolf's Claw* are freelance adventurers who live on the fringe of human society in the Far Stars. A veteran fighter as deadly with a blade as he is with a gun, Blackhawk is a man haunted by a dark past. Even his cynicism cannot banish the guilt and pain that threaten his sanity. All too soon, though, he and his crew will have to take a stand.

THE SHOTGUN ARCANA
 BELCHER, R S
 R S Belcher's debut novel, *The Six-Gun Tarot*, was enthusiastically greeted by critics and readers, who praised its wildly inventive mixture of dark fantasy, steampunk, and the Wild West. Now Belcher returns to Golgotha, Nevada, a bustling frontier town that hides more than its fair share of unnatural secrets. Golgotha in 1870 is a haven for the blessed and the damned, including a fallen angel, a mad scientist, a pirate queen, and a deputy who is kin to coyotes. The town has come through many nightmarish trials. Now an army of 32 outlaws, lunatics, serial killers, and cannibals are converging on the town, drawn by a grisly relic that dates back to the Donner Party... and the dawn of humanity. 'One fast-paced sci-fi/steampunk Western, peppered with double crosses, surprise revelations and a splendid showdown.' – *The Washington Post*.

SHADOW 01: WAKE OF VULTURES
 BOWEN, Lila
 A rich, dark fantasy of destiny, death and the supernatural world hiding beneath the surface. Nettie Lonesome lives in a land of hard people and hard ground dusted with sand. She's a half-breed who dresses like a boy, raised by folks who don't call her a slave, but use her like one. She knows of nothing else. That is, until the day a stranger attacks her. When nothing, not even a sickle to the eye can stop him, Nettie stabs him through the heart with a chunk of wood and he turns to black sand. And just like that, Nettie can see. But her newfound sight is a blessing and a curse. John Scalzi has been raving about this one.

DARK SKY
 BROOKS, Mike
 For the crew of the Keiko, their stay at the Grand House casino on New Samara was supposed to be a well-deserved rest. It didn't last. Captain Ichabod Drift promised that the side-trip to the mining planet Urgan would be a quick in and out – a data retrieval job then back to the tables. He was wrong. When the revolution comes, all you can do is choose a side and hope to get out alive. The second in the *Fireflyish* space opera series, after *Dark Run* (\$19.99). Highly recommended!

THE GIRL IN THE ROAD
 BYRNE, Monica
 In a world where global power has shifted east and revolution is brewing, a young woman sets out from her home in India on a desperate, profound journey of escape and discovery. 'Beautifully drawn people in a future that feels so close you can touch it, blended with lush language and concerns of myth... Glorious stuff.' – *Neil Gaiman*. '[A] brilliant novel – vivid, sparky, fearless, intense with a kind of savage joy... utterly unforgettable.' – *Kim Stanley Robinson*. 'Utterly captivating... an electrifying debut.' – *Helen Wecker*. 'The road trip novel you didn't know you were waiting for. A genuine and extraordinary journey. Take it.' – *John Scalzi*. Winner of the 2015 Tiptree Award. This is indeed a brilliant novel – we loved it.

BATHING THE LION
 CARROLL, Jonathan
 In *Bathing the Lion*, five people who live in the same New England town go to sleep one night and all share the same hyper-realistic dream. Some of these people know each other; some don't. When they wake the next day all of them know what has happened. All five were, at one time, 'mechanics', a kind of cosmic repairman whose job is to keep order in the universe and clean up the messes made both by sentient beings and the utterly fearsome yet inevitable chaos that periodically rolls through, wreaking mayhem wherever it touches down – a kind of infinitely powerful, merciless tornado. For the first time, all retired mechanics are being brought back to duty: Chaos has a new plan, and it's not looking good for mankind...

LA TRILOGY 01: MADE TO KILL
 CHRISTOPHER, Adam
 Raymond Electromatic is good at his job, as good as he ever was at being a true Private Investigator, the lone employee of the Electromatic Detective Agency – except for Ada, office gal and super-computer, the constant voice in Ray's inner ear. Ray might have taken up a new line of work, but money is money, after all, and he was programmed to make a profit. Besides, with his twenty-four-hour memory-tape limits, he sure can keep a secret. When a familiar-looking woman arrives at the agency wanting to hire Ray to find a missing movie star, he's inclined to tell her to take a hike. But she had the cold hard cash, a demand for total anonymity, and tendency to vanish on her own.

BLACK WOLVES TRILOGY 01: BLACK WOLVES
 ELLIOTT, Kate
 Some choices can never be undone. The Hundred, once ruled by a tainted religion and demon court, is now a place of peace and prosperity. The Black Wolves, once the king's most trusted guard, are disbanded and shamed with treason. Their captain, Kellas, finds himself standing at a crossroads, where he must decide whom to serve and whom to betray. Faithful to the king's memory, but shut out from his legacy, Lady Dannarah fights for the rank she was denied, while three young outcasts leave their homes to find their own destiny. As broken alliances are guardedly rekindled and old friendships put to the test, the Hundred's past is called into question – and its very future is put at stake.

WELCOME TO NIGHT VALE
 FINK, Joseph & CRANOR, Jeffrey
 A friendly, desert community where the sun is hot, the moon is beautiful, and mysterious lights pass overhead while its citizens pretend to sleep. It's a town like your town, with a city hall, a bowling alley, a diner, and a radio station reporting all the news that's allowed to be heard. It might be more like your town that you'd be prepared to admit. In this ordinary town, where ghosts, aliens and government conspiracies are parts of everyday life, the lives of two women, with two mysteries, are about to converge.

THE HIVE CONSTRUCT

MASKILL, Alexander
Situated deep in the Sahara Desert, New Cairo is a city built on technology – from the huge, life-giving solar panels that keep it functioning in a radically changed, resource-scarce world to the artificial implants that have become the answer to all of mankind's medical problems. But it is also a divided city, dominated by a handful of omnipotent corporate dynasties. And it's when a powerful new computer virus begins to spread through the poorest districts, shutting down the life-giving implants that enable so many to survive, that the city begins to slide into anarchy. Winner of the Terry Pratchett Prize.

SOLAR EXPRESS

MODESITT JR, L E
You can't militarise space. This one rule has led to decades of peaceful development of space programs worldwide. However, increasing resource scarcity and a changing climate on Earth's surface is causing some interested parties to militarise, namely India, the North American Union, and the Sinese Federation. The discovery of a strange artefact by Dr Alayna Wong precipitates a crisis. What appears to be a hitherto undiscovered comet is soon revealed to be an alien structure on a cometary trajectory toward the sun. Now there is a race between countries to see who can study and control the artefact dubbed the 'Solar Express' before it perhaps destroys itself.

APEX

NAAM, Ramez
The brilliant conclusion to the trilogy that began with *Nexus* and *CruX* (\$19.99 each). Global unrest spreads through the US, China, and beyond. Secrets and lies set off shockwaves of anger, rippling from mind to mind. Riot police battle neurally-linked protestors. Armies are mobilised. Political orders fall. Nexus-driven revolution is in here. Against this backdrop, a new breed of post-human children are growing into their powers. And a once-dead scientist, driven mad by her torture, is closing in on her plans to seize planet's electronic systems, and re-forge everything in her image.

SCHATZING, Frank
2025. Entrepreneur Julian Orley opens the first-ever hotel on the moon. But Orley Enterprises deals in far more than space tourism: it operates the world's only space elevator, connecting the earth with the moon and enabling the transportation of helium-3, the fuel of the future. Now, Julian has invited twenty-one of the world's richest and most powerful individuals to sample his lunar accommodation, in the hope of securing the finances for manufacturing a second lift. Meanwhile, on Earth, cyber detective Owen Jericho is sent to Shanghai to find a young female hacker, Yoyo, who has been on the run since uncovering information that has placed her in grave danger. As Jericho closes in on the girl, he finds increasingly concerning links to Julian Orley that suggest the lunar expedition is in immediate danger.

BRING DOWN HEAVEN 01:

THE CITY STAINED RED
SYKES, Sam

Long before he was sent to hell, the Aeon known as Khoth-Kapira was the closest thing to a living god the world had ever known. Possessed of a vast intellect, he pioneered many of the wonders that persist in the world long after he was banished. Nearly every fragment of medical, economic and technological progress that the mortal races enjoyed could be traced back to him. But with his wonders came cruelty beyond measure: industrialised slavery, horrifying experimentations and a rage that would eventually force the world to bow to him. Now, as Khoth-Kapira stirs, the world begins to shudder with disasters yet to come.

CHILDREN OF A DEAD EARTH 01: THE ARK

THOMLINSON, Patrick
Humankind has escaped a dying Earth and set out to find a new home among the stars aboard an immense generation spaceship, affectionately named the Ark. Bryan Benson is the Ark's greatest living sports hero, enjoying retirement working as a detective in Avalon, his home module. The hours are good, the work is easy, and the perks can't be beat. But when a crew member goes missing, Benson is thrust into the centre of an ever-expanding web of deception, secrets, and violence that overturns everything he knows about living on the Ark and threatens everyone aboard.

A BORROWED MAN

WOLFE, Gene
It is perhaps a hundred years in the future, our civilisation is gone, and another is in place in North America, but it retains many familiar things and structures. Although the population is now small, there is advanced technology, there are robots, and there are clones. E A Smithe is a borrowed person. He is a clone who lives on a third-tier shelf in a public library, and his personality is an uploaded recording of a deceased mystery writer. Smithe is a piece of property, not a legal human. A wealthy patron, Colette Coldbrook, takes him from the library, because he is the surviving personality of the author of *Murder on Mars*. A physical copy of that book was in the possession of her murdered father, and it contains an important secret, the key to immense family wealth. It is lost, and Colette is afraid of the police. She borrows Smithe, to help her find the book and to find out what the secret is. And then the plot gets complicated...
