...and many others

All the books in this catalogue are new books due for release in **October 2011**.

Because they are new books, we are at the whim of the publishers and to some extent the shipping companies - books can sometimes arrive later (or earlier) than anticipated, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Prices are subject to change without notice.

Please reserve copies of anything you want so you don't miss out - ASAP!

If a book has sold-out by the time we receive your order, we will back-order and supply when available.

Pulp Fiction has access to thousands of books not shown in our monthly catalogues. We are only too happy to order anything if we don't have it on the shelves.

If you can't make it into the shop, you can post, phone, fax or e-mail your order. We accept Bankcard, Mastercard, Visa, AMEX, cheques and Australia Post Money Orders.

Approximate current postage within Australia is: 1 -2 paperbacks (up to 500 grams), \$6.35.

2-10 paperbacks or any trade paperbacks or hardcovers within Brisbane is \$8.35.

Outside Brisbane metro area (over 500 grams up to 3 kilos), \$11.20.

Anything above 3 kilos charged at Australia Post rates.

Until next time, good reading!

MAGEBANE

CHANE, Lee Arthur
Four centuries ago, the world changed. A devastating war swept the lands, and the MageLords, who had long ruled by virtue of their spell powers, were driven to a distant place, separated from those they had ruled by a magical Barrier. With magic banished from the rest of the world, the MageLords became mere legend and people turned to science to improve their lives. But if one man has his way, all that is about to change.

Science Fiction & Fantasy October 2011 (Continued)

THE MAGICIAN KING

GROSSMAN, Lev
Quentin Coldwater is king of the bizarre and wonderful land of Fillory, but the days and nights of royal luxury are losing their appeal and Quentin is getting restless. Even in heaven a man needs a little adventure. So when a steward is murdered on a morning's hunt that is exactly what Quentin gets. But this quest is like no other. What starts as a flight of fancy, a glorified cruise to faraway lands, soon becomes the stuff of nightmares when Quentin is unceremoniously dumped at his parent's house in a decidedly un-magical suburb in Massachusetts. The sequel to *The Magicians* (\$19.95).

DEARLY DEPARTED

HABEL, Lia
The year is 2195. The place is New Victoria—a high-tech nation modelled on the manners, mores, and fashions of an antique era. Nora Dearly is far more interested in military history and her country's political unrest than in tea parties and debutante balls. But after her beloved parents die, Nora is left at the mercy of her domineering aunt. For Nora, no fate could be more horrible - until she's nearly kidnapped by an army of walking corpses.

WILSON, Geoffrey
It is 1852. The Indian empire of Rajthana has ruled Europe for more than a hundred years. With their vast armies, steam-and-sorcery technology and mastery of the mysterious power of sattva, the Rajthanas appear invincible. But a bloody rebellion has broken out in a remote corner of the empire, in a poor and backward region known as England.
