Because space is a luxury, we bring in limited quantities of books, and prices are subject to change without notice.

**Please reserve copies of anything you want so you don't miss out - ASAP!**

If a book has sold-out by the time we receive your order, we will back-order and supply when available.

Pulp Fiction has access to thousands of books not shown in our monthly catalogues. We are only too happy to order anything if we don't have it on the shelves.

If you can't make it into the shop, you can post, phone, fax or e-mail your order. We accept Bankcard, Mastercard, Visa, AMEX, cheques and Australia Post Money Orders.

### NO CAUSE FOR CONCERN

WISHART, David

Four years down the line, and Sempronius Eutacticus is still the charming, good-natured organized-crime boss that he was when they last met. Now his stepson has gone missing, and he wants Corvinus to trace him. Not that it should be difficult: young Titus has simply run off to join his uncle's acting troupe, and there really is no cause for concern. Until, of course, his body turns up. The previous Corvinus mystery is *Bodies Politic* (TP, \$29.99). Wishart has lost his paperback contract so henceforth these larger, print on demand editions will be the only way to follow the series.
