## Media-related & Humour Catalogue May 2022

Pulp Fiction Booksellers • Shop 4, Level 1 (first floor) • Blocksidge & Ferguson Building Arcade • 144 Adelaide Street • Brisbane • Queensland • 4000 • Australia  
Postal: GPO Box 297 • Brisbane • Queensland • 4001 • Australia • Tel: 07 3236-2750 • e-mail: pulpfictionbooks@bigpond.com • www.pulpfictionbooks.com.au

All the books in this catalogue are new books due for release in **May 2022**.

Because they are new books, we are at the whim of the publishers and, to some extent, the shipping companies – books can sometimes arrive later (or earlier) than, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Prices are subject to change without notice.

**Please reserve copies of anything you want so you don't miss out – ASAP!**

If a book has sold out by the time we receive your order, we will back-order and supply, when available.

Pulp Fiction has access to thousands of books not shown in our monthly catalogues. We are only too happy to order anything if we don't have it on the shelves.

If you can't make it into the shop, you can post, phone, or e-mail your order. We accept Mastercard, Visa, AMEX, cheques and Australia Post Money Orders.

Approximate current postage (base rate), within Australia, is:

up to 500g: \$9.30

500g to 1kg: \$12.70

1kg to 3kg: \$15.95

3kg to 5kg: \$19.60

anything above 5kg charged at Australia Post rates.

If your order is over \$100, we recommend adding Australia Post insurance, which is charged at \$2.50 per \$100 of value.

Until next time, good reading!

### Brotherhood

Star Wars  
**Ghen, Mike**  
Obi-wan Kenobi and Anakin Skywalker must stem the tide of the raging Clone Wars and forge a new bond as Jedi Knights. The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every word that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy – and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-wan travel alone – and his former master's insistence that he *listen, this time* – Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-wan, Anakin now finds himself on equal – but uncertain – footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together – and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face, they must grow beyond master and apprentice. They must stand together, as brothers.

### Traitor Rock

Warhammer 40,000  
**Hill, Justin D**  
Cadia, 10,000 years a stalwart bastion against Chaos, is broken. Its collapse at the hands of Abaddon and the 13th Black Crusade has fractured the Imperium of Man, and in its wake spreads the seeds of heresy, lies and insurrection. It falls to Cadia's survivors to

fight on, bloodied but unyielding, in the name of the Emperor. On the world of Malour, traitorous forces have retreated to the impregnable island fortress of Crannog Mons. After years of stalemate warfare, the task of breaking the siege is given to Minka Lesk and the Cadian 101st, who find themselves fighting a meat-grinder mission that threatens to devour them. In the midst of slaughter, sacrifice and brutal attrition, a question must be answered: What does it mean to be Cadian in a galaxy without Cadia?

### The Siege of X-41

Marvel School of X  
**Palmgren, Tristan**  
Once, Joshua Foley hated mutants, then he became one. It's... problematic. When his healing powers manifested, the violent anti-Mutant Reavers rejected him and only the X-Men offered sanctuary. Now, he's surrounded by mutants who still see him as their enemy. A deep-sea training mission isolates him with a select team of new X-Men, which is bad enough, but then the attacks begin. A sect of sea monster-worshipping vampire mermen besiege the base, leaving them stranded and trapped. As the attacks escalate, their chances of survival plummet. Things go from awful to even worse when one of their team begins sabotaging their attempts to call for help, all in the name of a sleeping behemoth soon to awake...

### **True Believer: the Rise and Fall of Stan Lee**

**Riesman, Abraham**

The definitive, revelatory biography of Marvel Comics icon Stan Lee, a writer, artist, and entrepreneur who reshaped global pop culture – at a steep personal cost. Stan Lee was one of the most famous and beloved entertainers to emerge from the 20th century. He served as head editor of Marvel Comics for three decades and, in that time, became known as the creator of more pieces of internationally recognisable intellectual property than nearly anyone: Spider-Man, the Avengers, the X-Men, Black Panther, the Incredible Hulk... the list goes on. His carnival-barker marketing prowess helped save the comic-book industry and superhero fiction. His cameos in Marvel movies have charmed billions. When he died in 2018, grief poured in from around the world, further cementing his legacy. But what if Stan Lee wasn't who he said he was? To craft the definitive biography of Lee, Abraham

Riesman conducted more than 150 interviews and investigated thousands of pages of private documents, turning up never-before-published revelations about Lee's life and work. *True Believer* tackles tough questions: Did Lee actually create the characters he gained fame for creating? Was he complicit in millions of dollars' worth of fraud in his post-Marvel life? Which members of the cavalcade of grifters who surrounded him were most responsible for the misery of his final days? And, above all, what drove this man to achieve so much yet always boast of more? 'A biography that reads like a thriller or a whodunit... scrupulously honest, deeply damning, and sometimes even heartbreaking.' – Neil Gaiman.
