Iconic Tarot Decks: The History, Symbolism and Design of over 50 Decks Bartlett, Sarah

The tarot is a treasury of divination, symbolism and self-knowledge. But who created its mysterious art and meaning, and why? What were they seeking? Whoever controls Arrakis controls the spice. And whoever controls the spice controls the universe. Blade Runner 2049: The Storyboards

Hudecki, Sam

Blade Runner 2049: The Storyboards is the only book presenting all of the storyboards from the film. In 1982, film audiences experienced a bold new depiction of the future with the ground-breaking *Blade Runner*, which was fundamental in establishing the still-vibrant Cyberpunk movement. With the critically acclaimed *Blade Runner 2049*, director Denis Villeneuve further explored that unique future noir world, this time following a young blade runner whose discovery of a long-buried secret leads him to track down former blade runner Rick Deckard – the protagonist of the first film – who's been missing, for some 30 years. *Blade Runner 2049: The Storyboards* is a celebration of the rarely-seen artwork that was key in building the harsh, yet strangely beautiful, environments in the film. This remarkable book presents a fresh look at *Blade Runner 2049*, including scenes that were later altered or cut out entirely, along with new, in-context commentary from storyboard artists Sam Hudecki and Darryl Henley throughout.

Why Cats Are Assholes

Miele, Liz & Trousdale, Chelsea (illustrator)

Most people love cats. They're fluffy, playful, and can be a joy to have as a companion. However, they can also be huge assholes. So, what can you do? How do you deal with a roommate who always seems to be plotting to kill you? While we all love sharing adorable photos of kittens, these frisky felines are known more for marching to the beat of their own drum than abiding by the rules. From running around your home at two in the morning, knocking everything off your shelves, or taking up most of your bed, these furry critters can be immensely selfish and disrespectful to those who give them endless love and affection. *Why Cats Are Assholes* is up for such a challenge. From studying their history all the way back to ancient Egypt, comedian Liz Miele – the daughter of veterinarians – digests the cat psyche to try and understand why they do the things they do, and how we, as their loyal servants, can handle domestic bliss with them around. With the help of her cat Pasta, Miele breaks down the common behaviours of cats – in an attempt to try and better understand their plan of attack (if there is one), as well as what we can do to better prepare ourselves. Whether you have one, two, or twelve fur babies, *Why Cats Are Assholes* is the ultimate guide to

better understanding your pet's behaviour while taking back your home from these domesticated terrorists.
