All the books in this catalogue are new books due for release in **January 2023**.

Because they are new books, we are at the whim of the publishers and, to some extent, the shipping companies – books can sometimes arrive later (or earlier) than, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Prices are subject to change without notice.

Please reserve copies of anything you want so you don't miss out – ASAP!

If a book has sold out by the time we receive your order, we will back-order and supply, when available.

Pulp Fiction has access to thousands of books not shown in our monthly catalogues. We are only too happy to order anything if we don't have it on the shelves.

If you can't make it into the shop, you can post, phone, or e-mail your order. We accept Mastercard, Visa, AMEX, cheques and Australia Post Money Orders.

Approximate current postage (base rate), within Australia, is:

up to 500g: \$9.70

500g to 1kg: \$13.25

1kg to 3kg: \$16.65

3kg to 5kg: \$20.05

anything above 5kg charged at Australia Post rates.

If your order is over \$100, we recommend adding Australia Post insurance, which is charged at \$2.50 per \$100 of value.

Until next time, good reading!

Doctor Who:

a Short History of Everyone
For nearly 60 years, the Doctor has battled against the monsters and villains of the universe. This book brings together the best – and the worst – of his enemies, companions, and fellow Time Lords. Why are the Daleks so deadly? What did Sarah Jane Smith do, after she left the Doctor? Who exactly is the Master? And how did the Doctor defeat every threat, with a little help from some friends, and a lot of luck. Whether you read it on or behind the sofa, this book provides a wealth of information about the monsters and villains that have made *Doctor Who* the tremendous success it has been over the years, and the galactic phenomenon that it is, today. A bind-up of three *Doctor Who* guides, featuring Monsters, Time Lords, and Companions. With 30 pages of extra content from the 13th Doctor era.

Brotherhood

Star Wars

Chen, Mike

The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates

with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy – and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone – and his former master's insistence that he *listen, this time* – Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal – but uncertain – footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together – and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together, as brothers.

Mortis

Horus Heresy: Siege of Terra 05

French, John

The victories of Saturnine and the sacrifices of the Eternity Wall space port have faded into the hope of yesterday. Denied but not defeated, the traitors intensify their assault on the Imperial Palace. With the principal space ports in Horus' hands, the Warmaster now drains the heavens of his reserves. As the pressure of the assault increases, the power of Chaos waxes. The waking lives of the defenders are filled with despair, while their dreams pull them in search of a false paradise. As the fabric of the defences fails and the will of those who stand on them cracks, Horus commands the Titans of the Legio Mortis to breach the walls. Against them stands the might of Mercury Wall and the strength of the Legio Ignatum. Ancient rivals, the god-engines of both Legions meet in battle, while within the walls a few desperate individuals seek a way to turn back the tide of the warp's malign influence. Across Terra lost warriors and travellers make their way through wastelands and gardens of horror, towards home and an unknown future.

Grimdark: a Very British Hell Linward, Tim

On Warhammer 40,000, Britain's most excessive sci-fi franchise, and its vision of a hellish post-industrial future. In the grim darkness of the British imagination, there is only Warhammer 40,000... Featuring demons, chain swords, and supermen in power armour, Warhammer 40,000 is Britain's most excessive sci-fi franchise. For 30 years this cult war game and its tie-in media have enticed thousands of fans to build, paint, and play with armies of toy soldiers taken from the battlefields of the worst possible future. Why has this fantasy proven so irresistible? Part collection of essays, part ravings of a cult prophet, *Grimdark* examines Warhammer 40,000's place and impact in pop culture, and how this unique vision of a hellish future arose from the subconscious of post-industrial Britain.

Assassinorum: Kingmaker Rath, Robert

Warhammer 40,000
The Officio Assassinorum safeguards the future of humanity. Its agents are the bloody-handed, secret saviours of the Imperium, killers charged with achieving the impossible... and Vindicare assassin Absolom Raithe has just been handed the most difficult assignment of his career. The Knight World of Dominion is on the verge of seceding from the Imperium, its court riven by factionalism and ruled by an increasingly unhinged monarch. With the aid of the shapeshifting Callidus assassin Sycorax, Raithe must remove the king from his throne – and safely steer a pro-Imperial candidate to victory through the brutal

succession crisis that will inevitably ensue. His team will need to infiltrate a world steeped in chivalric codes, where every move risks discovery, and every threat pilots an adamantine monster... for if the assassins fail, and Dominion falls, the entire sector will be plunged into darkness.

Clive Barker's Dark Worlds Stokes, Phil & Sarah

In the mid-1980s, Stephen King inducted a young English novelist into the world of great genre writers, and since then, this genius creator has only continued to expand his field of activity. Created by his two most loyal collaborators, Phil and Sarah Stokes, *Clive Barker's Dark Worlds* is the first book to shed light on the massive scope of Barker's creative work. With the help of Barker, himself, this book contains exclusive comments from people who have worked with him creatively and professionally; as well as close friends, such as Neil Gaiman. The book also features an exceptional collection of images and documents from the author's private archives.
