Convergence

Star Wars: High Republic

Górdova, Zoraida

It is an age of exploration. Jedi travel the galaxy, expanding their understanding of the Force and all the worlds and beings connected by it. Meanwhile, the Republic, led by its two chancellors, works to unite worlds in an ever-growing community among near and distant stars. On the close orbiting planets of Eiram and E'ronoh, the growing pains of a galaxy with limited resources, but unlimited ambition, are felt keenly. Their hatred for each other has fuelled half a decade of escalating conflict and now threatens to consume surrounding systems. The last hope for peace emerges when heirs from the two planets' royal families plan to marry.

Before lasting peace can be established, an assassination attempt targeting the couple tilts Eiram and E'ronoh back into all-out war. To save both worlds, Jedi Knight Gella Nattai volunteers to uncover the culprit, while Chancellor Kyong appoints her son, Axel Greylark, to represent the Republic's interests in the investigation. But Axel's deep distrust of the Jedi sparks against Gella's faith in the Force. She's never met such a puffed-up, privileged party boy, and he's never met a more self-serious, relentless do-gooder. The more they work to untangle the shadowy web of the investigation, the more complicated the conspiracy appears to be. With accusations flying and potential enemies in every shadow, the pair will have to work together to have any hope of bringing the truth to light and saving both worlds.

Sweary Cats Davies, Andrew

Underneath that chilled exterior is a potty-mouthed mouser ready to let rip. *Sweary Cats* features over 60 fabulous felines itching and scratching to tell it like it is, either through withering sarcasm or deeply insulting remarks. Cats may have a reputation for being passive and chilled, but the phrase 'cool for cats' couldn't be further from the truth. Cats are some of the angriest animals in the pet kingdom, they're just very, very good at hiding it. For the first time, *Sweary Cats* reveals the true emotions bubbling under the surface in cats' anxious lives, whether it's the failure to receive a variety of moist pouches, getting dressed up in costumes for their owner's Christmas cards, or being taken to the vets – again. Over 60 different cats reveal their frank thoughts on a variety of topics from fine dining to *The Sound of Music* – there's no holding back when the claws are out. All kinds of domestic scenes are covered; cats in the bedroom, cats in the kitchen, cats in trees, cats in pipelines, cats leading orchestras and the inevitable cat sticking its nose in the litter tray. The pictures may be cute, in their own right; but commentary from Andrew Davies adds a hilarious dimension to these fractious felines.

Rise of the Red Blade

Star Wars: Inquisitor

Dawson, Delilah S

When the Jedi Order falls, an Inquisitor Rises. Padawan Iskat Akaris has dedicated her life to travelling the galaxy, alongside her master, learning the ways of the Force to become a good Jedi. Despite Iskat's dedication, peace and control have remained elusive, and with each setback, she feels her fellow Jedi grow more distrustful of her. Already uncertain about her future in the Jedi Order, Iskat faces tragedy – when her master is killed, and the Clone Wars engulf the galaxy in chaos. Now, a general on the front lines contributing to that chaos, she is often reminded: *Trust in your training. Trust in the wisdom of the Council. Trust in the Force.* Yet, as the shadows of doubt take hold, Iskat begins to ask questions that no Jedi is supposed to ask: Questions about her own unknown past. Questions the Jedi Masters would consider dangerous. As the years pass and the war endures, Iskat's faith in the Jedi wanes. If they would grant her more freedom,

she is certain she could do more to protect the galaxy. If they would trust her with more knowledge, she could finally cast aside the shadows that have begun to consume her. When the Jedi Order finally falls, Iskat seizes the chance to forge a path of her own. She embraces the salvation of Order 66. As an Inquisitor, Iskat finds the freedom she has always craved: to question, to want. And with each strike of her red blade, Iskat moves closer to claiming her new destiny in the Force – whatever the cost.
