Nonfiction Catalogue February 2021

All the books in this catalogue are new books due for release in February 2021.

Because they are new books, we are at the whim of the publishers and, to some extent, the shipping companies – books can sometimes arrive later (or earlier) than, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Prices are subject to change without notice.

Please reserve copies of anything you want so you don't miss out – ASAP!

If a book has sold out by the time we receive your order, we will back-order and supply, when available.

Pulp Fiction has access to thousands of books not shown in our monthly catalogues. We are only too happy to order anything if we don't have it on the shelves.

If you can't make it into the shop, you can post, phone, or e-mail your order. We accept Mastercard, Visa, AMEX, cheques and Australia Post Money Orders.

Approximate current postage (base rate), within Australia, is:

up to 500g: \$8.95

500g to 1kg: \$12.20

1kg to 3kg: \$15.35

3kg to 5kg: \$18.50

anything above 5kg charged at Australia Post rates.

If your order is over \$100, we recommend adding Australia Post insurance, which is charged at \$2.50 per \$100 of value.

Until next time, good reading!
